

Tropical Storm Isaac hit Haiti 25-26 August 2012 affecting primary Ouest and Sud-Est departments. 6000 people in IDP camps lost shelters and 1000 houses were reported destroyed. Humanitarian assistance is being delivered to cover needs, but possible increase of cholera and damage to crops and food security are concerns

## Partial impact of Tropical Storm Isaac

Deaths, Injured and missing people

**24** Deaths, **42** Injured, **3** missing

Affected Camps

**180** Camps affected

**118** camps with high vulnerability prioritised for intervention

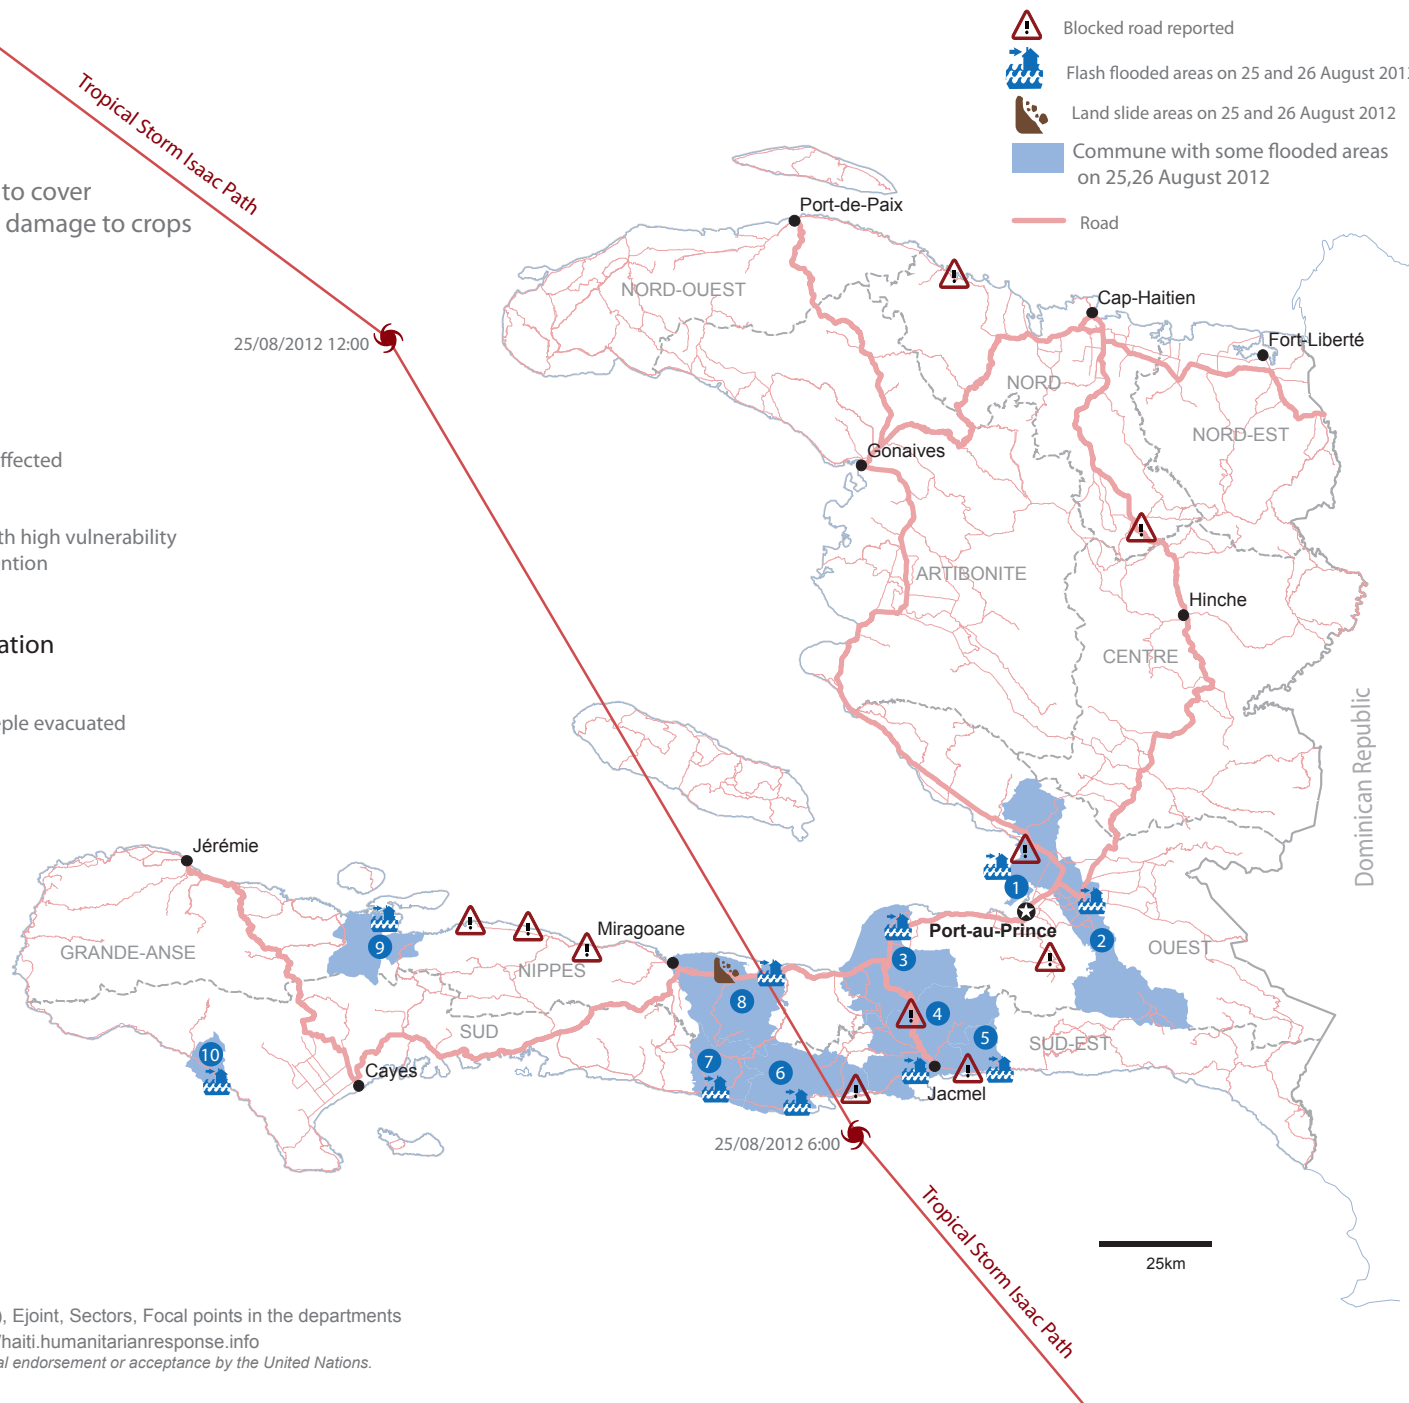

Preventive evacuation

**1,000** people evacuated
